"OUR SCHOOL — BETWEEN THE LAKES"

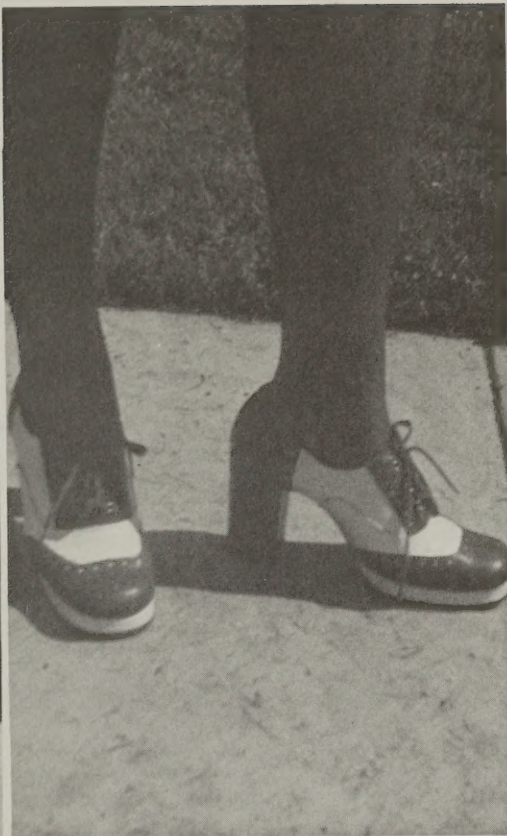

Franklin County High School salutes the town of Rocky Mount on its one-hundredth birthday.  
Philpott Lake

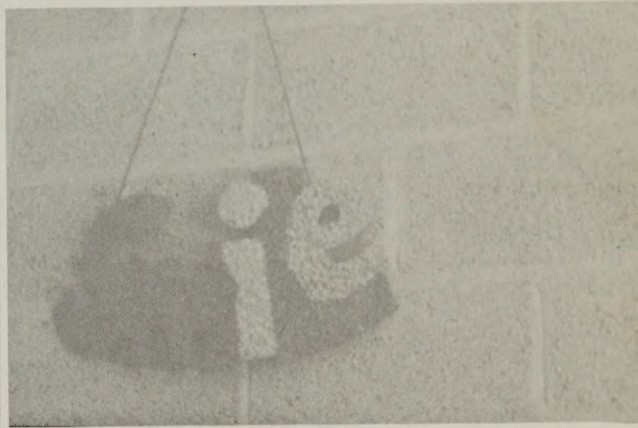

# stylin'

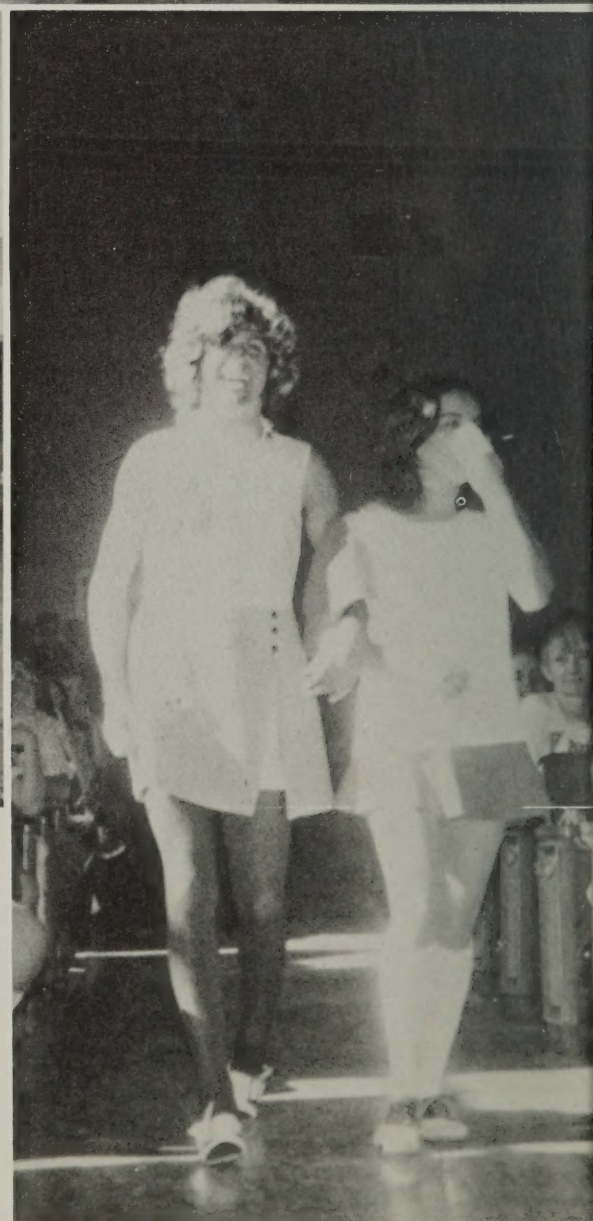

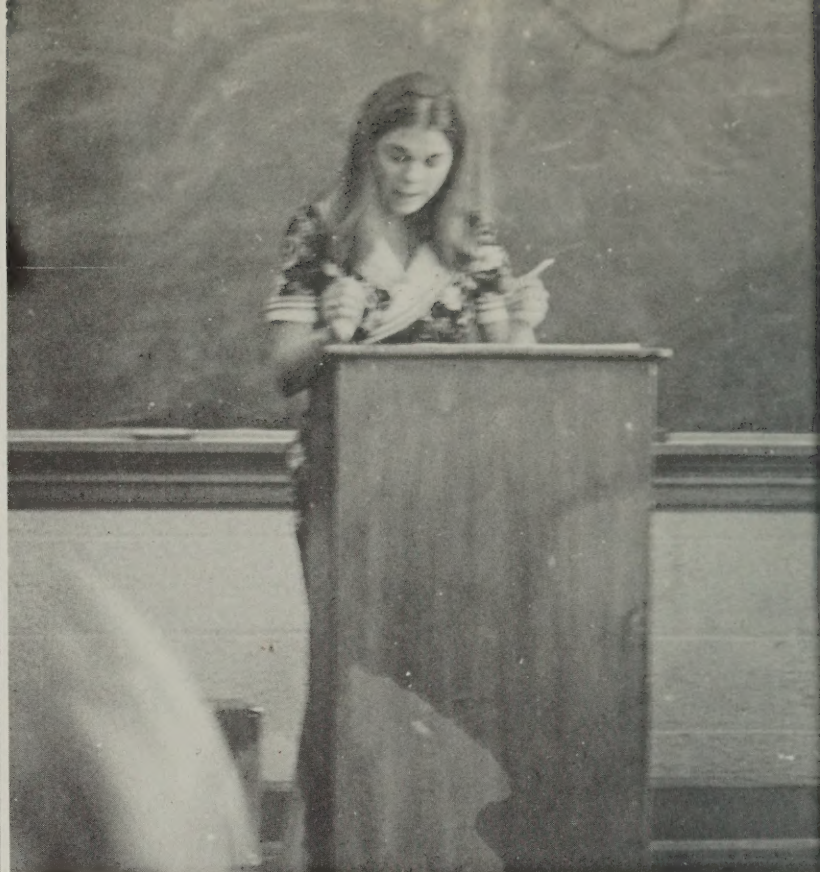

Stylin'. Right on. Super.  
Far out. Heavy. Soul baby.  
Out front. Keep on truckin'.  
Rip off. Make it. Out a'  
sight. We hear you talking.  
We see you moving. We don't  
want you to forget words,  
the places, the people . . .  
or even the clothes.

# NOW!

Today we cannot make profound generalizations about "Now People." They are far more unique and individualistic than they are uniform and categorical. "Now People" do not dress alike, talk alike, play or study alike. Their interests are widening and their concerns are real. The "Now People" and the concerns are today's story.

# MAKE IT HAPPEN

Together . . . by yourself . . .  
with others . . . YOU can make  
it happen. You learn to relate  
one to one, one to two, and  
one to many and living begins  
to develop. We're interested  
in the way you relate at  
school and outside of school.  
And we're interested in the  
things you make happen. Together  
we can make it happen.

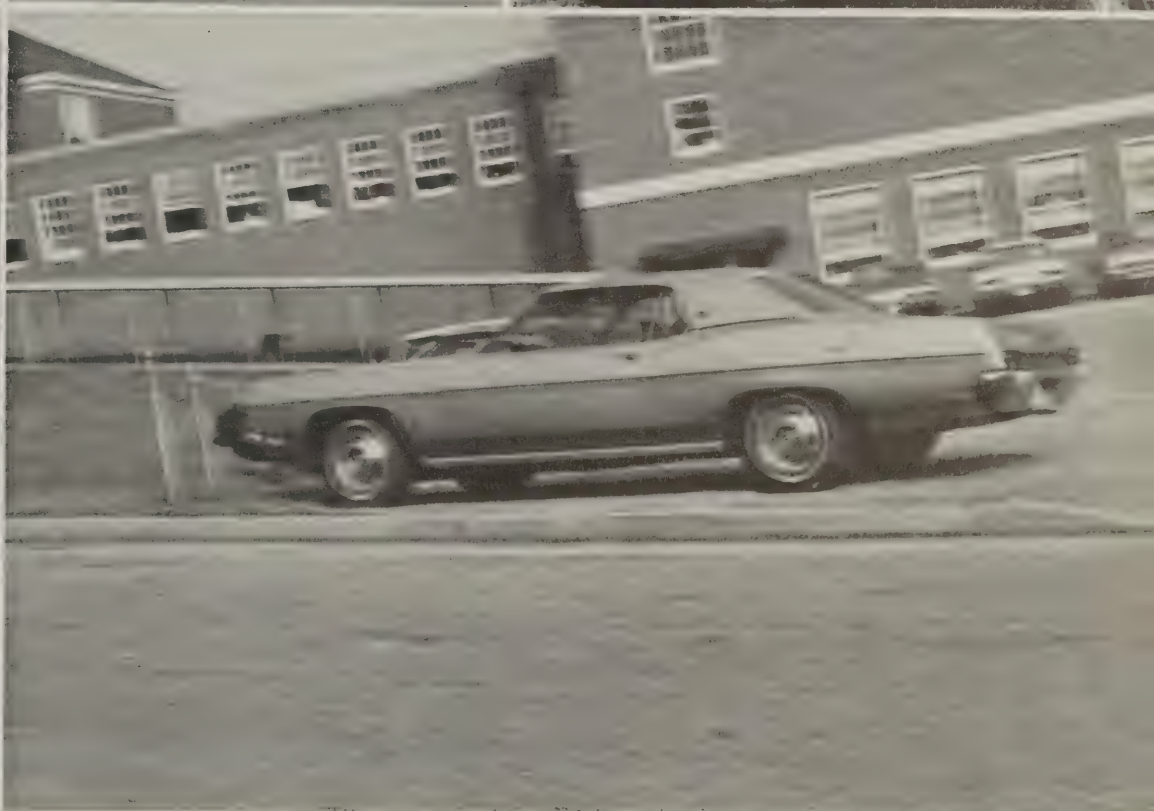

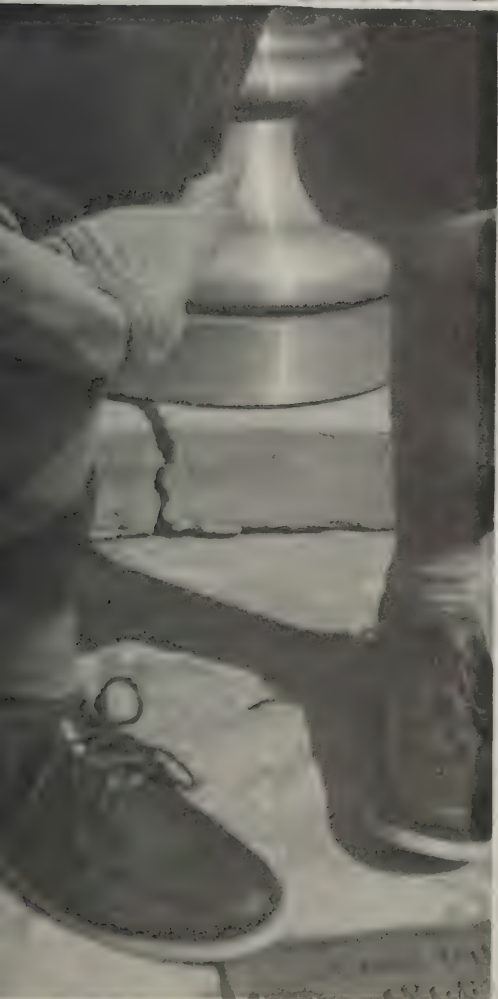

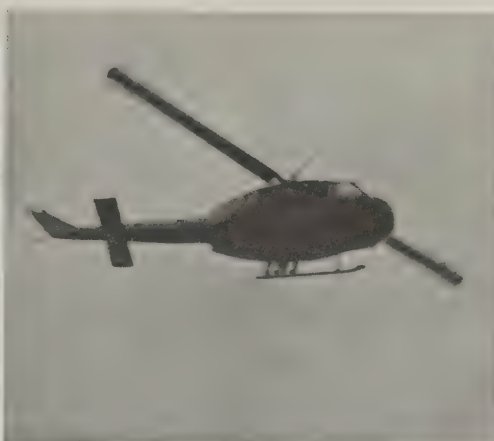

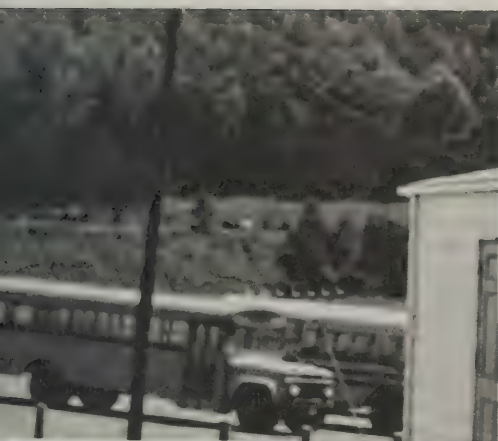

# KEEP ON TRUCKIN'

Having a car means going places. So does having a bike, a boat, a motorcycle. Even two feet can take you where you want to go if you start out in the right direction. That's what's so great about today's "Now People." They're going places and we don't just mean that literally. They have a goal, a destination, and they have the determination to reach it, too. So keep on truckin'. Somebody will be right behind to help you see that your journey's recorded for easy reference when you head down other paths.

# OUT A' SIGHT

Today's "Now People" are out a' sight. People are different and they are proud of their differences. People have different ways of doing things to achieve their goals. They like being different because of respect of others and of themselves.

# OUT FRONT

"Now People" today are obviously different from those people of days gone by. Concerns and issues have and will always vary, but a notable change in today's "Now People" can be seen in areas of awareness. The study of our Earth continues, but you concentrate on the effects you and your society are having on the environment. You may dress in jeans and a faded denim jacket with hair hanging down to your shoulder or you may wear a dark-colored sports coat and have a crew-cut, but you recognize each other as individuals and you listen. You reach out to those who need and you respect those who protect you. Your awarenesses, your concerns are widening. You're the "Now People" our world is looking for.

# INSTRUCTING

Nature is man's teacher. She unfolds her treasures to his search, unseals his eye, illumines his mind, and purifies his heart; an influence breathes from all the sights and sounds of her existence.

The Franklin County School System, led by Mr. C. I. Dillon and the supervisory staff, was faced with a variety of tasks in order to improve the overall educational program. Emphasis was placed on organizing a Kindergarten program, improving offerings in Special Education, and implementing the Standards of Quality as proposed by the State Board of Education.

Mr. Payne, principal, worked hard with the faculty and students in coordinating all programs in the school. Dedicated as he was, all duties were performed efficiently.

The English Department has designed a broadened curriculum based on semester classes for the 11th and 12th grades. The purpose of the plan, approved by the area supervisor is to help meet the needs of many students by offering additional classes and choices.

Emphasis in appreciation of the various genres in literature and development in mature writing skills will help the students who expect to continue their schooling in college. Terminal classes in language arts skills will be offered to students who expect to enter the work field.

The offering in the 10th grade on a yearly basis, provided students an opportunity to move into areas of interest and needs in the upper levels.

Each foreign language class has access to the lab at least once a week.

French an interesting language, seems interrupted in a comical sense.

A new world opened up to students in French, Latin and Spanish classes as they learned the language and customs of other countries.

Students found the language to be alive, and many derived a better background in English.

Filmstrips, movies, and slides added variety to the classroom. The language lab aided students in improving their pronunciation by providing tapes of persons speaking in their native language.

One major highlight of the year was to travel abroad, under the guidance of faculty members.

# Lessons in Leadership

The Social Studies Department promoted a new interest both in the past and present happenings of home and world affairs. Courses offered at F.C.H.S. were U.S. & World, Geography, Economics, Va. & U.S. Government, and Sociology.

Current events were especially stressed this year to acquaint students with problems facing the world around them today in comparison to the cycles of problems in the past.

## Creativity Is TheNowThing

The Art Department continues to grow steadily attracting the interest of many students who will learn new concepts in design and Art Appreciation.

All classes took up such projects as sketching, collages, scratch art, painting with oil and acrylics, and sculpture.

One of the most serious problems in the school day is lack of space in all art classes. We hope to remedy this as plans are on the drawing board for a new Fine Arts building.

# Strange But True

Biology provides students the chance to encounter a strange world.

Students interested in the science world spend a lot of their time experimenting in the lab, mixing chemicals, and dissecting specimens. F.C.H.S. science program included biology, chemistry, and physics. The Science Department offered classroom study, studies for individuals, and field trips.

**Mrs. Ruby T. Reeves**  
B.S.; Virginia State; Catholic University Librarian

All students make good use of the library.

Students enjoy the quiet atmosphere the Library provided for completing homework and preparing for tests.

**Mrs. Betty Cooper**  
Library Clerk

The Library provided reading material, encyclopedias, tapes, newspapers and magazines to aid students and teachers in increasing their knowledge on a variety of subjects. Because of the quiet, comfortable atmosphere, many students found the library to be a helpful place to study.

The librarians were always willing to make available all facilities and to assist both teachers and students in finding needed information.

## Band Boosts Spirit

Through consistent practice and hard work, the Franklin County High School Band was able to blend a variety of sounds to produce one beautiful sound of music. This year, under the direction of Mr. James Bateman, the band performed at football games, pep rallies, basketball games.

The Stage Band served as harmonious accompaniment to the serious thoughts at special school assemblies and concerts. The band represented FCHS well as they performed in events outside of school.

In the physical phase of P.E. 10, we attempt to emphasize activities which will improve strength and endurance as well as develop flexibility, agility and coordination. An attempt is made to apply situations, that occur daily in these classes, to real life. The thought is to develop mentally, socially and physically.

In P.E. 11 and 12, effort is made to provide more individual sports or recreation but the number in class prohibits this. One day per week is spent on rules of activities, new activities, and appreciation of many different recreational interests.

In P.E. 10, Driver Education is taught for the first semester during classroom time. The third quarter is for mental health, and the fourth quarter is spent on drugs and drug abuse.

# Students in Motion.

The Business Department offers a comprehensive curriculum designed to instruct students in the techniques and fundamentals of the business world. General Business involves the study of the American business system and its effect upon the events of everyday life while Business Law deals primarily with the legal aspects of the business world. A course in general recordkeeping is offered to aid students in keeping personal records while Office Services gives students individualized work in general office skills and procedures. Typing classes concentrate on the typing skills needed for personal use as well as for office occupations.

Clerical Accounting, Clerk Typist, and Stenography classes provide an in-depth study of the skills and knowledge necessary for employment in these areas. Senior business students who desire on-the-job experience are allowed to work part-time in a local office through the Cooperative Office Education program.

# Efficient Living

Due to the high cost of living, the training received in Home Ec. affords us a chance to become more efficient around the home and in the community.

DE classes train students for employment in a distributive occupation. Interested students were able to secure a job in retail, wholesale, or any type of service establishment. For those who sought full time employment, the DE program provided a background of experience that would help to establish their plans. Also, students not seeking post-high school training found that participation in the program helped them to enter the field of marketing with a certain measure of skill.

President, Sarah Gruver goes over the plans for the next meeting with Sponsor, Mrs. Cole.

In accordance with the Tri-Hi-Y's purpose and platform, the Omega Tri-Hi-Y worked throughout the year to be of service to home, school, and community. Composed of sophomores who were sincerely interested in such a Christian purpose. The Omega Tri-Hi-Y Club provided an individual opportunity for each member to participate in significant projects of service to others while enjoying the fellowship of girls having a common interest.

Members of Omega Tri-Hi-Y participated in the District Conference held here at FCHS.

Under the guidance of their sponsor, Mrs. Cole, the club completed a year full of service, work, and fellowship, coupled with a Christian cause and purpose which added up to high ideals to which members were dedicated and by which they were judged.

# Debaters Learn To Think Quickly

Under the sponsorship of Mrs. Judy Bateman, the Franklin County High School Debate Team learned the art of argumentation and speech and gained experience in the fields of rhetoric and public speaking. The main purpose was to teach students the skill of logically discussing a number of subjects which could be proven by the artful use of evidence.

The four main objectives of debating were to enable students to better themselves in competition with other students; to gain a better understanding of the techniques of research; to develop good speaking qualities; and to learn to think quickly and accurately.

"Spanish Spirit" a part of Homecoming.

The Spanish Club operated as two clubs — those students enrolled in first year Spanish, and those in second year Spanish.

One highlight of the club was a "fiesta" consisting of costumes and pinata contests as well as singing and conversing in Spanish with other club members. An assembly was held in the spring for the student body.

Club members were intrigued by the Spanish customs and enjoyed learning of these in their meetings.

## The Franklin Eagle Staff

This year **The Franklin Eagle** staff worked to produce a newspaper that would inform the students of what is going on in the school and express the opinions of the students. The staff worked hard under the guidance of Mr. Karl Edwards, and was also advised by **The Franklin Times** who printed the paper this year. The staff tried to use variety in this year's paper and make it a modern up-to-date paper with something for everyone.

After a busy day of scouting the school for possible pictures, Brenda Holt takes time out for a minute of relaxation.

Ricky Wray, Business Manager, was told by a fellow staff member, "If the hat fits, wear it."

Donna Hale takes time out for a quick picture, but only between words.

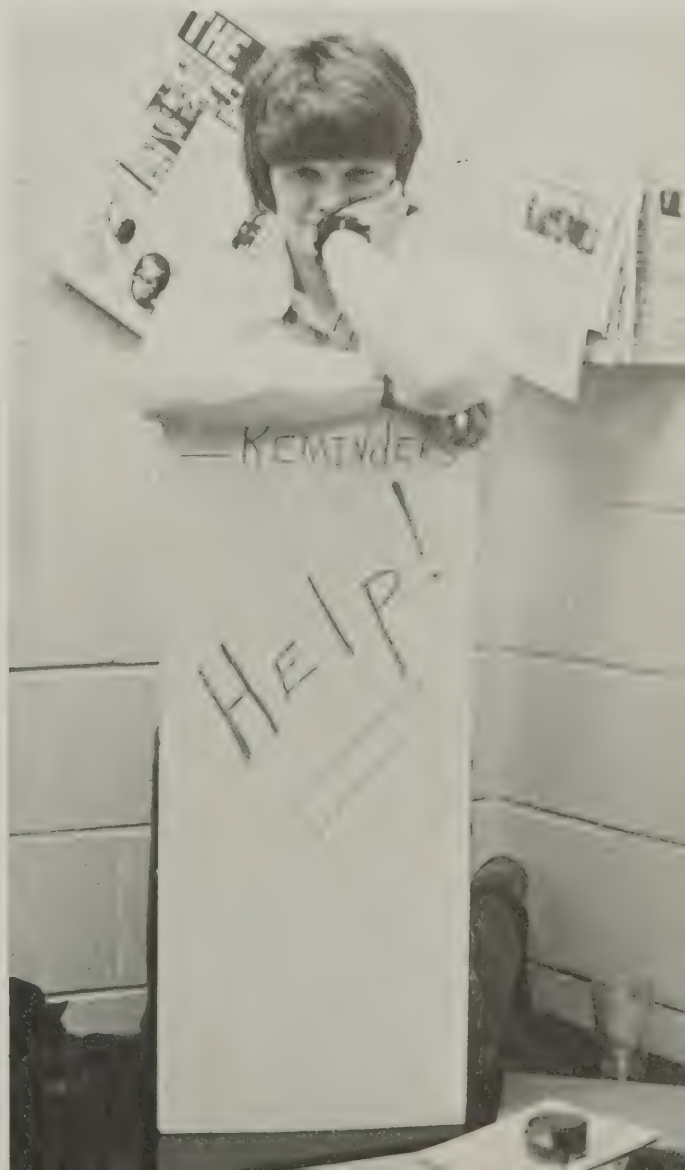

Two staff members were caught by surprise. They are Yvonne Abshire and Arlet Agee.

The Editor, Sue Sink, and Yvonne Abshire work at the light table to prepare the next issue of *The Eagle*.

FCHS Annual Staff began work for the '74 yearbook in the summer. Under the new direction of Mrs. Dorothy Phelps, the work was a success. The entire staff sold ads, drew layouts, indexed names, wrote copy, took pictures, and identified students. Members will long remember the fun and hard work that became a symbol of the entire group.

Staff members work hard to meet deadlines.

Business Manager; Margie Campbell, Index Editors; Deborah Neathawk, Leslie Williams, and Faculty Editor; Vann Smith wonder what the coming day will bring.

## Continuous Growth In An Age of Transition

The members of the class of 1974 have been the fortunate witnesses of and participants in a period of drastic and continuing transition in America's national life. We have not watched idly as man explored the mysteries of space; shattered barriers of prejudice; saw spreading shortages of food, energy, paper and natural resources; witnessed the end to a war and discussed international politics at an unbiased and unprejudiced level.

If there has ever been a time when each of us could say as the poet Wordsworth:  
There was a time when  
    meadow, grove, and  
    stream,  
The earth, and every  
    common sight,  
To me did seem  
Apparelled in celestial  
    light...  
that time is now.

As our society grew beyond its earlier expectations, so did we through our experience at Franklin County High School. The constant ideal of our high school years has been individual growth in a time of transition.

# Congratulations

Though ranked 1-4, seniors Clara Ann Young, Debora Green, Mary Jo Bowman, and Charles Atkinson all had a perfect 4.0 average.

Ranking 5-10 are seniors Teresa Clark, Sue Sink, Blair Boone, Annette Robertson, Sheri Layman, and Cheryl Lynch.

Bertha McEhimer was elected National Vice President of the Vocational Industrial Clubs of America at the ninth annual National Leadership Conference held in Tulsa, Oklahoma, June 16-21, 1973. Mrs. Conner and Mr. Jamison wish her an enjoyable trip.

In competition for All Regional Band, Blair Boone placed first and Jerome Johnson placed third in the symphonic band.

Selected for All Regional Choir are Yvonne Abshire, Arlet Agee, Vincent Thomas, Wayne Wright, and Evelyn Flora.

Invited to be members in "Who's Who in American High Schools" are Jerome Johnson, Charles Atkinson, Blair Boone, and Doug Shearer.

# HONORS

Over the years, Franklin County High School has had students who have continually brought it honor — this year was no exception. We had students who received national, state, and local honors. All of these students deserved those honors and also deserve our recognition. We are sure FCHS will have many more students to bring it honors in the years to come.

Gary Rutrough won \$100 and a trip to Kansas City where the National FFA Convention was held in October because of his outstanding work in agricultural electricity.

Debora Green, Blair Boone, and Charles Jamison were selected to represent FCHS on "Klassroom Kwiz". All are members of the Beta Club and each did a fine job on the program.

Daniel Layman, Donnie Bower, and Bobby Amos were the top team at FCHS in forestry judging and they placed 3rd in the Federation. Donnie Bower is also the Federation President.

Mr. Edwards is so good at holding the class' attention.

# Great Ability In Track.

Drew Davis leads the pack in the 100 yd. dash.

The Eagles unfortunately had a small team this year. However, certain individuals did perform well. Kenny Poindexter finished first in the high jump in regional competition; second in the state and set a new record of 6'6 $\frac{1}{4}$ " at the Lynchburg Relay. Bill Walker took fourth place in regional competition in the pole vault. Drew Davis and Donald Brooks also performed well. Track is an individualized sport, and a person can make it on his own if he is willing to participate and give some effort.

## The Coach Comments . .

"This is the most players we've had on honor teams since I've been here," commented head coach Dick Foutz, who piloted the Eagles to a 6-4 season. "The coaches chose the players and I think their choices were indicative of the respect our team gained this season. It indicates the type of football we played. I'm very pleased that these young men got the honors they did. They all deserved it."

### COMMENTS . . .

The season was one of anticipation and excitement. The four seniors, Steve Brubaker, Don Hall, Neil Sigmon and John Webb were instrumental in team performance of the 73-74 Eagles.

Local sports writers stated that if ever there were a hustle award given to teams in the district, it would have to go to the Eagles as they gave it all they had. This proved true throughout the season. FCHS Eagles were not the type of team to give up.

Animo press time found the Eagles with a 6-8 record and four games were left to play. We forecast a 9-9 season!

## *Cheerleaders Strive To*

Captain — Gladys Boitnott sees that everything goes right during a pep rally.

This year, the Varsity Cheerleaders played a large role in the creation of school spirit. The girls and their sponsor, Miss Walhberg strived continuously to encourage enthusiasm, support, and sportsmanship at the "Home of the Eagles". Hard work was displayed during football games, basketball games, pep rallies, and sponsoring sock hops after the games. Also, they did their utmost to make Homecoming '73 the best ever.

Varsity Cheerleaders take time out from their hard work to display a cheerful smile for the photographer.

Seniors on the Varsity Squad are Vann Smith, Captain — Gladys Boitnott, Susan Blanton, and Candy Mackenhimer.

## Boost School Spirit

Sometimes practice sessions are necessary outside. Here the Varsity Cheerleaders gather to plan the cheers for an upcoming game.

# J.V. Cheerleaders Arouse Spirit

Bridging the gap between victory and defeat on a junior varsity level was a task accepted, challenged, and overcome by the Junior Varsity Cheerleaders. These girls aroused Eagle support, the junior varsity players, and spurred the team members to many fantastic performances.

Junior Varsity and Varsity Cheerleaders discovered it was better to ride in the Homecoming Parade than to walk.

Practice sessions in the gym helped to prepare Junior Varsity Cheerleaders for upcoming games.

## A Line From The Editors

DEAR EAGLELITES:

The Animo staff makes an effort to preserve in picture and word those happy times, those cherished moments, and those learning situations in the classrooms, we wish never to forget. Yes, there were many changes in Franklin County High School, but on the other hand, some things did not change. The high-quality education and morale remained the same apparently always will.

Sincerely yours,

Ferrum is a two-year United Methodist Coeducational College located in the beautiful Blue Ridge Mountains of Virginia.

You can earn Associate Degrees in Arts, Fine Arts, Science, Applied Science, Secretarial Science and Industrial Technology.

Ferrum even has a new Environmental Center on the Blue Ridge Parkway for the study of environmental education. And, for the sports-minded, we offer equitation as well as a championship inter-collegiate athletic program and extensive intramurals.

Call us at 365-2121 Ext. 120. We'll give you all kinds of information about Ferrum.

## *A class prophecy*

Ten years from now, when you pick up this annual, you will have access to at least 15 new electric appliances that don't even exist today!

Electrical innovations will "make the scene" (as we say in 1974) to benefit health, education, industry and our social lives. You'll also see in the next decade more electronic equipment to purify, filter, recycle and generally clean up America.

Electricity is doing a lot of things for you now. It's going to do a lot more tomorrow. Our prediction: Life will keep on getting better — electrically.

Cheryl's busy preparing ads for the annual.
